CONTENT

The lessons will focus on **speaking** in an everyday environment.

Oral tuition: Students will follow learn to discuss issues that are current and impactful. The focus will then extend to the students themselves to discuss their lives, their aspirations etc. ideal preparation for the LC oral exams.

Listening Comprehension: Interactive texts and articles will allow students to test their listening comprehension and grammar exercises will cover the more difficult grammar elements of the LC course.

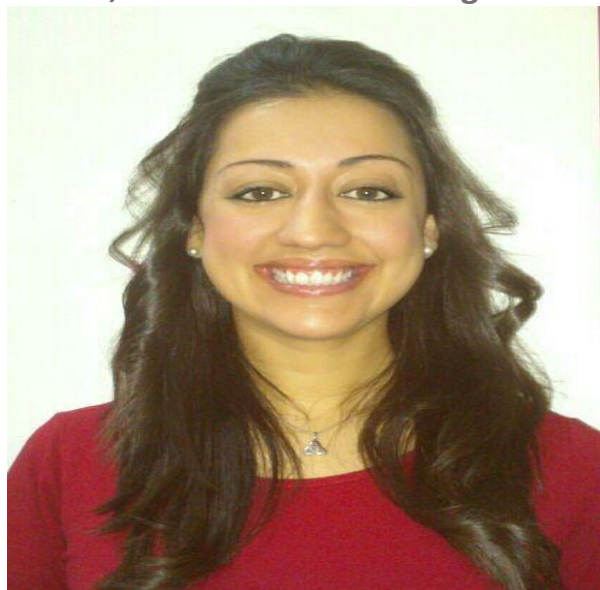

Topical Discussion: General themes of immigration, student pressure, and social media will help students develop vocabulary relating to typical exam comprehension and written questions.

Games: Role play and creative games will enable students develop confidence in structuring phrases in Spanish.

Culture: Students will delve into the aspects of Spanish culture which will help them in document creation. It will also hopefully inspire them and broaden their cultural horizons. Spanish movies, food, music will be explored.

TEACHERS

□ Sandra Giron. Sandra is a qualified school teacher from the University Cardenal Spínola, (CEU), Seville in Spain. She subsequently trained as a specialist in Leaving Cert Spanish with the Istituto Cervantes in Dublin, and has been teaching LC & JC

Spanish for over 3 years. Students love her bubbly, fun personality and

her passion for the Spanish language and culture which she instils in our students with great enthusiasm. LC Spanish takes on a new and fun meaning under Sandra's guidance.

□ Luisa Del Campo Pacios. Luisa holds a degree in Linguistics and Translation from the University of Granada in Spain, and has been teaching Spanish JC and LC students in Dublin Secondary Schools since 2005. Luisa's love of Spanish language and culture is inspirational, and students will gain confidence in speaking through her friendly style and encouraging manner.
